**2010 Alumni Reunion Special**

## *90 Years and Counting...*

Ever since the memorable alumni weekend in 2005, we've been counting the days until our 90<sup>th</sup> year celebration. Well, the waiting is over! In just a few months time, we'll be welcoming back alumni from generations past to celebrate this milestone at Camp Wayne. There's no better time or place to catch up with camp friends and reminisce about the good old days in Preston Park.

In this "Reunion Special" newsletter, you'll find all the information you'll need to prepare for this exciting weekend at camp including registration

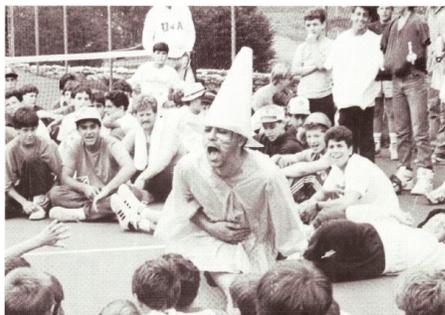

information, the weekend schedule, and a link to our new home on Facebook. Please forward this newsletter to any camp friends that you're in touch with who aren't on our email list and please encourage them to register for an alumni account online.

We are incredibly fortunate to have the opportunity to connect with hundreds of campers and staff members every summer. As our camp family continues to grow we are always reminded of our great friends from summers past. While the setting is nothing short of perfect, there is no question that it's the friend-

ships formed at camp that keeps everyone coming back for more. We hope you are as excited as we are to spend a few days at camp together again, to celebrate 90 years at Wayne!

## *Camp Wayne Gives Back*

Every year, Camp Wayne is proud to support two terrific organizations, Project Morry and SCOPE, both of which provide memorable summer camp experiences for children who would otherwise not be able to attend camp. As an alumnus of Camp Wayne we know you can appreciate the gift that is summer camp.

While we are celebrating at camp in 2010, we hope you will consider making a donation to one of these organizations so other children can experience the wonders of camping.

Project Morry is a year-round youth development organization that provides to each child a multi-year commitment anchored by a superb residential summer camp experience.

The children, for whom these experiences would not otherwise be available, benefit from a network of support and gain increased social skills, enhanced self-esteem, positive core values and a greater sense of personal responsibility.

[www.projectmorry.org](http://www.projectmorry.org)

SCOPE is a nonprofit organization whose mission is to provide children in need the edge to succeed in life through the summer camp experience. We accomplish this by funding camperships at not-for-profit resident camps where children will benefit from a positive, safe and healthy environment led by excellent adult role models, who will help them develop their full potential.

**Susan Paul** - I was at camp from 1947-1953. Looking for bunk mates to say hello. I live in Armonk, NY and would be curious to hear what life has brought to the girls I spent all those summers with.

**Alan Buchner** - My son, Dan, just completed three stages of Q school, which is a golf competition to get on the PGA Tour and Nationwide Tour. The first 25 get PGA Tour, the next 50 get fully exempt Nationwide status and the remainder get limited Nationwide. Happy to report that Dan is fully exempt Nationwide.

**Laurette Kramer Vogel** - April Kane Langus, Carol Schwartz Lewis and Eileen Hazan Ginzburg and I found each other again through Facebook. We went to Camp Wayne in the late 60's early 70's. The last year of camp, George was our head counselor and was pregnant with her first child. We all had a great time! I met up with April over the summer in Westchester, NY. We are going to meet up again at the end of this month. April and Eileen don't live in the NY-NJ area. We are hoping if they do come up to this area we can all get together!

**Todd Greenstein** - My older daughter Allyson sang this past summer in the NY American Choral Directors Honor Choir in Albany. She has since been selected to sing for the National Honor Choir in February 2010 in Philadelphia, PA. Can't wait to run up Rocky's Steps since the last time I did it was on a trip from Camp Wayne in the early 1980's.

**Jaime Neiss** - I think about Camp Wayne all the time, and miss it so much! I hope everyone is doing well! Right now I'm living in Rochester, NY and teaching dance! I hope to visit Wayne soon!

**Leon Stand** - A friend who had various family members go to Wayne sent me your web site. In watching the photos in the alumni scrapbook I was surprised that my photo( I am the singer on the right in the photo of the three singers) still exists. This was taken in a camp show in 1945 and I happily remember that I was chosen as all around camper that year. I was at Wayne from 1942 to 1945..enjoyed every minute of it..now I am a retired real estate attorney and former executive director of a major real estate company.

**Karen Keenholtz Newton** - My daughter Hilary gave birth to her second set of twins. Hayden and Isabel are my Three year old Granddaughters and Aaron and Samuel are now two months old and it is a very busy household.

**Malcolm Leitman** - 7/15 is my 80th birthday. I will be visiting camp in early august for the first time since the late 40's. In the summer of 1977 I flew my plane over the camp buzzing the lake. The camp, Oscar, Hank, Peewee, Jerry Molter, Ted Krause, Gene Kohn, Dick Blasb, Marty Billett, and, Fred Pine...all the above, I remember with fondness. Camp Wayne lately has been in my thoughts most early "polar bear" mornings while I continue the tradition of swimming laps. See you in first week of august!!!!

**Michael Corpuel** - We are delighted to announce that Michael Corpuel recently got engaged to Randy Blume.

**Jay Greene** - Today while I was floating in the pool at our home in Ponte Vedra Beach, my thoughts turned to the great summer years at Camp Wayne - 1952-1957. I would like to find some of my old buddies: Ricky Levy, Steve Robbins, Jeff Luwenda, David Mayer...and I wish I could think of all the others. Please contact me if you know where they are!
