### CW Supports Project Morry

Our incredible alumni family has already donated thousands of dollars as part of our 100 year celebration fundraiser. Click [here](#) to access our fundraiser page. Thanks in advance for supporting Project Morry, an incredible organization that does amazing work with children.

For 100 years campers and staff have eagerly anticipated the arrival of another glorious summer at Wayne. But Summer 2021 might just be the most anticipated summer of the century! After more than a year of living through the pandemic and the cancelation of our 2020 summer season, the notion of children returning to camp to play, socialize and be kids again is priceless.

Adding to the excitement of this summer is the anticipation of celebrating our 100<sup>th</sup> Anniversary in September with each of you, our dedicated and supportive alumni. While some of you might not be able to be there in person, we know you'll be celebrating in spirit and cheering for the opening of Camp Wayne and camps across the country.

Despite our summer pause in 2020 due to COVID, we were able to make exciting improvements to help welcome our campers back this June. At CWB campers will be able to enjoy a newly resurfaced hockey rink, a full exterior renovation to the Field House, a new bleacher system for the lacrosse field, the addition of an awesome UTV (Utility Terrain Vehicle) program for Skid Row campers with a fleet of new Polaris RZR vehicles and a new Ninja Warrior Course.

Across the lake at CWG, our Rec Hall received an indoor makeover with a beautiful new pine wood ceiling and glass backboards. We've replaced the front windows in the dining room to let in those incredible lake breezes. The finishing touches are currently being put on the new Support Staff Bunk (The old "Brown House"). The old support staff bunk also received some much needed TLC including new flooring, lighting and beds, and will now be home to our first ever LIT campers (Leaders In Training). Our dancers will enjoy a newly spruced up Dance Dome equipped with a new sound system, and we are about to start construction on our very own Ninja Warrior Course.

Summer camp has always been an incredibly formative experience for children. But after a year of social isolation and disappointments for our children, the camp experience will be even more valuable than ever before. Add to that the increased screen time and consumption of technology and it's easy to see why summer camp has not only stood the test of time, but has become even more important in our current climate.

It is our sincere hope that you will join us to celebrate Camp Wayne's 100 years in camping this September 11<sup>th</sup> and 12<sup>th</sup> at our Alumni Reunion in Preston Park. We can't wait to welcome you back to see old friends, share stories and reminisce about simpler times.

Warmest Regards,

The Corpuel and Brown Families

THE  
AMISH\OUTLAWS

*The Amish Outlaws, a great cover band that performs up and down the East Coast, will take center stage on Saturday night at CWG.*

## Camp Erin NYC

We are back doing what we can to help grieving children in need ages 7-18. It's been a long, challenging year. Add to that grieving the loss of a loved one and it is a mountain to bear.

Volunteers are ready to share their magic and compassion and campers are registering. Join our team and help support our campers. WE have a mountain to climb to provide the funds to make this happen. We have been off the grid for a year and half and are now racing to the finish. We are extremely grateful for your continued support! Click here <https://www.mightycause.com/story/UI05jf> and help us make this a reality for summer 2021!

*Jumping in to make CAMP ERIN NYC happen in 2021!*
